Subject RE: FW: Michigan Settlement Agreement

Thanks Jonathan. As discussed today, its critical to us that we finalize a Settlement Agreement as soon as possible. If it would be helpful, I would be more than happy to travel to Michigan to meet with you and others interested in meeting in person to work through the details.

A conference call with EP has been tentatively set for 11 on Thursday, but only provided that we've had a chance to review the current proposed settlement agreement and discuss it.

Karen - Thank you for forwarding the note to Jonathan. Michigan has just provided its comments to EPA and DOJ for their review. As soon as we can complete that review, we plan on forwarding the comments to you and scheduling a call with all appropriate parties. Thanks, Brian

As of this time, we have not received any comments from you regarding the draft Settlement Agreement and Exhibit B sent to you last week, copies of which are attached. I would like to schedule a conference call with you on Monday afternoon to go over these documents with you (as well as the comments made by others with respect to the other settlement agreements which will be relevant here). We are eager to finalize these as quickly as possible. Would you be available at 2pm EDT to discuss this? Thanks.
